

FALL & WINTER 2025-2026 PROGRAM SCHEDULE & PRICING

Due to the generous support of our community sponsors and fundraising efforts, the NHSC is pleased to announce that there has been no increase to registration fees this season!

*Ice times are scheduled based on enrolment in prior years and are subject to change based on final enrolment numbers. A program may be cancelled if there is not sufficient demand to ensure viability of the program.

*The NHSC cannot guarantee make up sessions for cancelled sessions due to inclement weather or facility issues.

*All program fees include \$62.70 Skate Canada membership insurance fee valid September 1, 2025 - August 31, 2026.

*FAMILY DISCOUNT – If you have three or more skaters registered in a NHSC program and have a skater(s) enrolled in a figure skating program, the third and subsequent figure skater(s) will have \$150 deducted from their Intro to Figure Skating, STAR 1 – 4, and/or STAR 4+ registration fees.

*INTRO TO FIGURE SKATING - NHSC fees for Intro to Figure Skating include ice, skill/stroking time, and all group lesson time with and NHSC Coach. In order to enhance skater development, the NHSC strongly encourages our Intro to Figure Skating skaters to skate two or three days per week and the full season from September to March. One day pricing options and October start dates will be available upon request. Please contact info@newhamburgskating.com for further information.

*STAR 1-4 & STAR 4+ SKATERS! – We are excited to be able to offer a 4th day of skating per week (Fridays) for STAR 1 – 4 & STAR 4+ skaters who are already registering for at least the 2 days per week package. This fee is added onto the 2 or 3 day per week program cost. STAR 1 – 4 & STAR 4+ skaters selecting 2 days/week must choose Saturdays as one of their skating days.

REFUND POLICY

- All refunds must be submitted in writing to info@newhamburgskating.com and are subject to a \$20 administration fee, Skate Canada insurance fee, and fees for session days that have run.
- Refunds will not be given issued two weeks after the start of each session programming, without supporting medical documentation*
