

SPRING 2026 PROGRAM SCHEDULE & PRICING

Due to the generous support of our community sponsors and fundraising efforts, the NHSC is pleased to announce that there has been no increase to registration fees this season!

*Ice times are scheduled based on enrolment in prior years and are subject to change based on final enrolment numbers. A program may be cancelled if there is not sufficient demand to ensure viability of the program.

*The NHSC cannot guarantee make up sessions for cancelled sessions due to inclement weather or facility issues.

*All program fees include \$62.70 Skate Canada membership insurance fee valid September 1, 2025 - August 31, 2026.

***INTRO TO FIGURE SKATING** - NHSC fees for Intro to Figure Skating include ice, skill/stroking time, and all group lesson time with and NHSC Coach. In order to enhance skater development, the NHSC strongly encourages our Intro to Figure Skating skaters to skate two or three days per week. One day pricing options will be available upon request. Please contact info@newhamburgskating.com for further information.

***STAR 1-4 & STAR 4+ - Skaters selecting 2 days/week must choose Saturday as one of their skating days.**

***STAR Elite** is a technical group session that focuses on more advanced skating elements and is for skaters training 3 days per week during the Spring session. This fee is added onto the 3 day per week registration program cost.
